^{*1} FEE-HELP is a government loan for Australian Citizens. It attracts different fees and charges on top of the tuition fee, such as a 25% loan fee for undergraduate studies. Read more on <http://studyassist.gov.au/>

^{*2} Overseas fee is charged only to students who are studying while being the holder of an Australian student visa with a Confirmation of Enrolment from the ACT.

^{*3} BST is subsidising the overseas student fee to be in line with the domestic student fee.

The tuition fees are set by ACT on an annual basis. More information about tuition fees is available at
