

GyMEA Peoples Church is a conservative, independent (non-denominational), evangelical Church which has operated in the Sutherland Shire of Sydney since 1957. We are currently looking to employ a full time Pastor who shares the theological distinctives of, and is willing to work with, the Elders of the Church as they seek to shepherd this congregation and successfully move the Church into the future. Our website (gpc.org.au) gives an overview of the Church.

The successful candidate will be someone with sufficient skill and life and ministry experience to assume responsibility for the majority of the preaching schedule. This aspect of ministry will be done with faithfulness to God's Word and Pastoral sensitivity to the real-world situation of the congregants in equal measure. His role will include Pastoral care and counselling. We expect him to have an active role in the administration and strategic direction of the Church along with the other Elders.

Interested parties may wish to obtain copies of our "What We Teach" document, as well as more detailed profiles of the Church and the local area via email (pastor@gpc.org.au) or phone 02 9525 5770. A CV may also be forwarded to the above email or PO Box 216 GyMEA, NSW, 2227.

We appreciate the current limitations imposed by lockdowns and border closures due to COVID-19. It is anticipated that the process of filling this position may well be extended over the medium term.
