Church-Planting Pastor (FT)

Sandstone Community Church, a Baptist fellowship located on the mainland adjacent to the popular Bribie Island and about one hour north of Brisbane, Queensland, is offering an exciting and challenging position as a Church-Planting Pastor with an evangelical heart to work with us to reach out to the surrounding community and beyond.

We are looking for a person called by God to:

1. Connect with the community, developing new evangelistic initiatives and building bridges between community outreach and the faith community.
2. Nurture the existing faith community via encouraging small groups, supporting the pastoral care team and bible based preaching.

If you feel God is calling you to this challenge and a new season of your ministry career and Christian service, then we'd love to hear from you.
